War and Suspension. The advices from abroad bring no confirmation of

1856 1855.

\$167,386,560 121,337,730 88,532,923 78,853,637 The reduction is more than 50 per cent. in seven the addition to all the supplies from Austra-Mexico and California, forming an aggregate of methan 120 millions, and the latest arrivals were ore many taken up as the preceding ones. There re yel large purchases of grain to be made prior to he next harvest, and if the Spring campaign opens on larger scale, and different theatre of war, then rensonable anticipations can be entertained other han of a greatly increased demand for specie. The same quantity of specie that has been supplied in the and plant in the large six menths cannot be furnished in the next six onths in the ordinary way, because it will exceed of the new supplies and the stock on hand, accordugly expedients are more occupying the public The resources whence gold is to be obtained -1st, From Mexico and Australia in direct exunge for goods; 2d, From other countries through speciations of commerce; and, 3rd, By substituting aper for the coins in circulation at home. The two at have failed to supply sufficient, although by a sinual use in the tate of interest, it has been atmpted to make gold the best remittance to Engtrom her corresponding countries. Formerly, and the operations of credit, the quantity in the nited Stales was usually at the command of Engwhen she withdrew it general bankruptcy The amount now here is quadruple that held, nevertheless t is not at the command Freland and can no more than her own currency made available for State purposes by any other than by the substitution of legalized paper, an a not likely to happen. Formerly, when the e sheek upon bank expansion was the regulating wer of the late National Bank, which sought to of the indications of the foreign exchanges inal of obeying them, it was comparatively easy so to malaie credits as to exhaust the country of its specie. he use a prices naturally induced large imports. these were sold mostly for notes made payable at al country banks. They were remitted through a w York bank for collection, and when mature were at by the discount of an accommodation note by e heal bank, by which operation it became a debtor the New York Bank. These balances were sufged to accumulate, and finally payment became im-At this time most goods are sold for paper ayable in the Atlantic cities, where the action of the Independent Treasury, keeping specie more in emand as imports increase compels prompt settleem and country institutions It results, necessariaduce exported thence. Each bank must find as such exchange drawn against produce as will cover

was \$60,000,000 at that time. Compared with the resent the currency was as follows: 200,000,000 \_119,600,000 The amount of specie in the country is fully \$250,-90,000, of which the banks hold \$50,000,000. deace the paper is only one-half the circulation, instead of three-fourths as in 1836. To reach the same opertion as then the bank notes would have to

notes returned upon it, without paying in specie.

his necessity, together with the requirement now

thered to in many States, of ample security for cir-

glating notes takes much of its elasticity from cred-

s. Hence there is far more difficulty in drawing

Il from the circulation to a dangerous extent. At

is moment the bank circulation in the Union is very

age, but a bears a less proportion to the aggregate

arency than formerly. The highest amount ever

braned by bank circulation was in 1836, just prior

but the highest estimate of specie in circulation

ouble their present amount, a circumstance not kely to take place in face of the security principle as swollen in the d uble ratio of larger quantities and higher values, they represent more nearly actuby existing and convertible wealth, instead of speulative prospective values. Thus,-if \$1,000 in ank notes are paid out on the bill of a miller, who evs therewith 500 bush, of wheat and converts it nto flour that sells for \$1,100, the proceeds takes up the bill and cancel the bank's notes. If, however, as was the case in 1835, the circulation is paid out on the obligation of a speculator, who buys therevalidand at an exorbitant value, trusting to a further rise for the means to meet his obligation and enble the bank to redeem its notes-these latter are never paid. This is now the main difference between the present and the former currency, and it follows, that how great soever may be the demand for gold

A continued rise in the rate of interest abroad would sturally prevent the employment here of foreign ands to the usual extent, and in some degree cause he export of gold. If the next harvests should in Western Europe be very promising, it is possible hat specie payments might be maintained until it can realized, by cramping the war and sustaining very high rates for money. A suspension, however, would lace within reach of the Governments specie enough last two years, and remove the strain upon the money markets.— U. S. Economist.

# Russia and the Peace Proposals.

The following is the order in which the acceptance V Russia of the peace overtures is published in the nomion journals:

VIENNA, Jan. 16 .- Count Esterhazy writes that tion. essenade has just ratified the acceptance pure and simple of the propositions contained in the ultima-

of the official journal announce on reliable authority,

Beggin, Jan. 16.-In consequence of the decided altitude of Austria and the pressure of the other German powers, Russia accepted the Austrian propositions without any reservation, and a conference for the House adjourned. negotiating a peace is shortly expected to open at

REVIEW OF THE WILMINGTON MARKET, FOR THE WEEK ENDING FEBRUARY 7TH, 1856.

TURPENTINE-Has been in fair enquiry from distillers throughout the week, and shows an advance of 5 cents on yellow dip and hard. The market is firm, and sales are easily made at \$265 for yellow dip and \$165 for hard, \$280 markets will be rendered tributary to the constant supply, 16s. The receipts for the week ended this morning have which will be served up in the best style by orderly, oblig- been smaller than those of the previous one, footing up 4,671

bbls., viz: Virgin. Yellow dip. .....\$2 08......\$2 60.......\$1 60 Friday.... 869....... 2 08....... 2 60,...... 1 60 497..... 2 08... . 2 60 . . . . . . . . Saturday . . . Monday . . . . 1,025 . . . . . 2 12 . . ..... 2 65..... 1 60 Luesday..... 650...... 2 12...... 2 65...... 1 65 Wednesday. 658..... 2 12...... 2 65...... 1 65 Which are among the best in the State, have been placed in There is very little if any offering on market this morning,

and we have heard of no sales SPIRITS TURPENTINE-The market for this article has transactions. On Tuesday there was an advance of & cent, and the sales since have been at 39 cents. The week's ope

rations foot up only 1,049 bbls., viz: Do ..... 370 " " 39 Thursday ..... 25 " " 39 " " ... "

This morning only one small lot has changed hands up to the time of closing our report. Rosin-The market for Common has been almost entirely neglected during the week just ended, and at present is very dull at our reduced quotation. Owing to the limited operations, and with moderate arrivals for the week, the stock in first hands is accumulating. The sales are only \$40 bbls.

Friday ... 550 bbls. at \$1 10 for large. Tuesday .. 290 " " 1 05 " \$1 for medium. But very little has been done in No. 1. The sales for the week are only 300 bbls. at \$2, \$2 25, \$2 50 @ \$2 621, as in quality; and \$1 25 for opaque. Sale of only 58 bbls. No. 2 TAR -- Has been in active enquiry for shipping purposes,

and the price has gone up 20 cents during the week. The market is firm at \$2 25 g bbl. The sales for the week reach only 1,329 bbls, viz: Thursday ..... 75 bbls, at 2 10 7 barrel. 

Tuesday.......100 " " 2 122" Wednesday .... 190 " 2 20 

tity in butchers hands is light. We note a fair demand at | Mariner came up from her last evening with part of her carto 7 cents & Ib., as in quality THOSE SUPERIOR articles, manufactured in Wilming- advance them on adamantine. See table for prices, in quant the weather continues moderate, of saving most of the cargo,

> Corron-There has been a fair enquiry during the week from buyers, and under favorable foreign advices the sales since Friday have been at an advance of fully 4@4 cent. The transactions for the week are as follows: Thursday 45 bales at 84 cents for good middling; Friday 70 do. at 84 cents for assorted grades; Saturday, 51 do. at 9 cents for good middling; Monday, 40 do. at 85 @ 9 cents for low to good middling; Tuesday, 17 do, at 85 cents for ordinary and 9 cents for middling; and Wednesday. 100 do. at 84 cents for low and 94 cents & lb. for good middling. CORN MEAL-Remains about the same. There is a fair stock on market, and demand limited. Sales at 80 to 85

EMPTY BARRELS-The market continues very well supplied with Spirits Turpentine barrels, and we note little or no and should be universally used. Try it #From and after this date, no work will be delivered demand. We quote at \$1 65 @ \$1 75 for second hand, as in until settled for. The state of the times absolutely compel quality, and \$2 for new-at which small sales have taken

FISH-No transactions except in the retail way. See table for store rates, as in quantity. FLOUR-There have been moderate receipts of both Fay etteville and Wilmington brands during the past week, and @ \$9 } bbl for superfine-the last sale being at latter fig-

ure, and market quiet. day and selling in lots at 8 cents 2 bush .- OATS-No receipts, and the stock in dealers hands is light. Nominal at 45 @ 50 cents & bushel --- Pras-Cow have been brought to market quite sparingly during the past week, and THVING been appointed agents for two of the most ex- (we notice a fair demand. Small sales at 85 cents & bushel. -RICE-Clean remains in moderate stock, with a limitpared to furnish and put up, in the most approved and sub- at 51 cents & Ib. In rough there has been but little doing Purchasers will be careful to ask for Dr. McLANE'S stantial manner, and at short notice, any description of Small sales at \$1 15 & bushel. ——WHEAT-No receipts:

hands is exceedingly small, and we note a fair enquiry. A calling and paying up whatever may be due. WE MUST lot of 50 bales Eastern (damaged) sold at anction on Saturday at \$1 40 \$100 lbs. About 156 pales N. C. make received yesterday per railroad; no sales.

LIME-Remains in full stock, and is decidedly dull of sale. We quote from store at \$1 25 to \$1 35 @ cask, as in quantity. It should be understood that our quotations generally represent the wholesale prices. In filling small orders, highis light; Apple brandy is in fair demand at 50 @ 55 cents parties have to be paid.

and quality. . Molasses—There is a better supply on market, and we reduce our quotations 2 cents. Two cargoes of 471 hhds. and 32 bbls. received the past week from Cuba; selling from wharf at 41 @ 43 cents @ gallon, as in quantity.

PROVISIONS—For N. C. cured Bacon the market has rul-

quiet during the past week ; grocers have a moderate supply in store, and consequently there has been but little dong. Prices are about the same as last week. We note small sales at figures ranging within quoted rates. See table. Western cured is in rather light supply, but there is very little if any demand. We continue former figures-12 cents for sides and 111 cents # fb. for shoulders .-- LARD There is a fair stock of N. C. make in first hands, and the market has been very dull throughout the week. Small sales at 13 cents in bbls., and 131 @ 14 cents @ B. in kegs Western nominal at 121 @ 13 cents. - CHEESE-There is very little in store, and we advance quotations a shade. See table. PORK--No change in the price of Northern Mess, and the supply in store has been somewhat reduced, owing to the light receipts. Sales from store during the week at \$20 @ \$21 \$2 bbl., as in quantity and quality. Fresh has come in rather more freely sence our last, and sells from boats and carts at 71 to 10 cents & 15 , according to quality. PEA NUTS--- No change to make in prices, and very few coming in. We quote at \$1 35@\$1 50 @ bushel, as in qual-

POTATOES-For Irish planting potatoes we notice a fair enquiry, and very few on market. About 150 bbls. received on Monday, and sold in quantities to suit at \$3 \$ bbl. Sweet are scarce, and sell quick at 80 @ 90 cents # bushel. SALT-In Liverpool ground we note the receipt coastwise since our last of only 700 sacks, which changed hands at \$1 Frack, 90 days There is a fair supply on market, with a light demand; sells from store at \$1.25. No late receipts of Alum ; -- sales in the small way from store at 50 cents ? bush. Sugar-No material alteration to note in prices; stock very small. See table for rates. SHINGLES--The market has ruled decidedly dull, and

there is no demand for either Common or Contract. Quotations are merely nominal See table. TIMBER-Since our last review there has been little or no demand from millers, and in consequence the market has been extremely dull ; -- some 18 @ 20 rafts now unsold. Only about 10 @ 12 rafts have sold during the week at prices ranging within classified figures. See table. FREIGHTS .- The market for the past week has ruled quiet, without change in coastwise rates. There is but a small

number of vessels now in port, though sufficient for the quantity of produce offering. See table for last prices paid. BALTIMORE, Feb. 5 .- The train which left Philadelphia last night, arrived here at 11 o'clock this forenoon .-The weather is intensely cold. Nothing doing in the markets Prices are nominal. Flour of all kinds is held at \$8 25. Wheat-white \$1 80 @ 1 90; red \$1 75 @ 1 83. Corn 8 75 cents & bushel of 56 pounds, with a downward tendency. 124 Provisions are unchanged. Holders firm.

NEW YORK, Feb. 5th .- Cotton firm, sales to-day of 3500 bales at former rates. Flour is dull, sales of straight State at \$7 75, good Ohio at \$8 314, Southern at \$8 934.— Wheat is quiet, sales at \$1 90 for Southern red. Corn is languid, sales at 84 cents for Western mixed. Pork is lrooping; sales at \$15 875 for Mess. Beef is dull, sales at \$14 50 for repacked Chicago. Lard quiet at lower prices, sales at 103 cents. Whiskey, is dull, sales at 34 cents for Ohio. Coffee is firm, sales at III cents for Rio. Sugar is firm, sales at Si cents for Orleans. Molasses is firm, sales at 45 cents for Orleans. Turpentine-Spirits has declined, sales at 40\(\frac{1}{2}\) cents. Rosin is quiet nothing to report. Rice is firm, ales of 150 tres. at 54 cents.

CHARLESTON, Feb. 5 .- Cotton -- This article continues o attract a good deal of attention, although the sales were by no means as heavy as they have been. Some 2200 bales dling 8 7-8 @ 91; Good Middling 91 @ 91; Middling Fair 91 @ 91, and Fair 91c. Coffee-There was a sale to-day at auction of 200 bags

FAYETTEVILLE, Feb. 4 .- Bacon 12 @00 ots. Feeswax 25@00., Coffee Rio, 121@131; Laguira, 131@00; St. Domingo, 00@00. Cotton—Fair to good, 81@81; ord. to mid. 8@81. Feathers, 35@40. Flour, Family, \$8 75@000: Superfine. \$8 50 @\$0 00; Fine \$8 25@0 00; Scratched, \$8 00. Grain, Corn 80@90; Wheat \$1 50; Oats, 50@00; Peas, 75@80; hye 90@\$1. Hides-Dry 8@10; Green 4@5, Lard 12@00. Salt-Liverpool, (Sack) \$175.

Rio, at extremes ranging from 111 to 121, averaging about

Bacon-Receipts light. Last sales of Cotton made on Saturday was at S4, the advance caused no doubt by the prospeet of peace in Europe Flour, no change. Corn, no change. Peas have advanced. Apple Brandy-The receipts are quite light, and but little on hand. Spirits Turpentine 35.
